MEMORANDUM FOR: Director of Security

SUBJECT : Consideration of Candidates for the Senior Defense Colleges, the Advanced Management Program at Harvard, and the Senior Seminar in Foreign Policy

Attached is a list of employees whom the Training Selection Board plans to recommend for attendance at the 1966-67 sessions of the Senior Defense Colleges, the Advanced Management Program at Harvard, and the Senior Seminar in Foreign Policy at the Department of State. Before I recommend these individuals to the Deputy Director of Central Intelligence for his final approval, I wish to be assured that they will represent the Agency in the best possible light. Therefore, I would appreciate knowing if you have information on any of these candidates that might adversely affect their representational role in the proposed external training. For your information, I am making this same request to the Director of Personnel for the attention of the Chief, Special Activities Staff, the Director, Medical Services, and the Inspector General.
